## Trick or Treating Tips

- Grab-and-Go: Set up a decorated table with individually sealed bags.
- Trunk or Treat: This can be an easy way for your children to get candy without walking or driving all over town.
- Masks can make it hard for children to see. Instead, use nontoxic makeup. Nontoxic makeup can be found at many stores such as Walmart.
- Not everyone can have sugar. Having a sugar-free option can be very helpful.
- Charge your cellphones before leaving the house in case of an emergency.
- If you or your children have food allergies, make sure to take an EpiPen.
